General information

Article number : 12041004 Pheeb's 150 g/m² recycled tote bag 7L

Description : Tote made of 150 g/m² recycled cotton polyester blend with a dropdown handle length of 31 cm. Recycled cotton is manufactured from pre-consumer waste generated by textile factories during the cutting process. Similar colours are blended together so no additional dyeing is required. Due to the nature of recycled cotton, there may be a very slight colour variation. This feature distinctly adds to a more authentic appearance. This bag folds easily to fit in a small space. The perfect companion for a variety of activities like grocery shopping, day trips or craft projects. Resistance up to 5 kg weight. 85% Recycled cotton and 15% Recycled Polyester, 150 g/m².
