General information

Article number : 12058106 Pheeb's 450 g/m² recycled cotton and polyester backpack 10L
Description : Backpack made of a recycled cotton and polyester blend, with a front zipper pocket and padded shoulder straps. Recycled cotton is manufactured from pre-consumer waste generated by textile factories during the cutting process. Similar colours are blended together so no additional dyeing is required. Due to the nature of recycled cotton, there may be a slight colour variation. This feature distinctly adds to a more authentic appearance. 60% Recycled cotton and 40% Recycled Polyester, 450 g/m².
